

A collage of school supplies including pencils, a ruler, and a calculator. The background is a vibrant red. In the foreground, there are several sharpened pencils in blue, orange, red, and purple. A black pencil lies diagonally across the center. A ruler with a red and white scale is visible on the left. On the right, a blue calculator with white buttons is partially shown. The text 'AFTON' is written in a white box at the top, and 'SCHOOL' is written in a white box below it. At the bottom, the years '2011' and '2012' are separated by a hyphen, all in white boxes.
